**Art Collage with Rosemary Nick**  
**Saturday, September 9, 2023**

Please join us as we welcome Rosemary Nick to DAGSO for the first time. Rosemary’s love of all things paper began as a child. Her father worked at a paper mill so she had an abundant supply of paper which helped to fuel her imagination. After she retired, she took a painting class at Sinclair and learned a great deal about perspective, shadows, proportion and all the elements of design. At Sinclair one of her assignments was to paint a picture only using cut or torn paper and that was it! She had found her medium of choice. Armed with only last month’s magazine, sharp scissors and a glue stick, she has endless possibilities to create her art!

**Surface:** Bristol board provided by the instructor

**Supplies:** Please bring tracing paper, dark graphite paper, scissors and a couple glue sticks (clear drying), paper towels or baby wipes (optional).

The instructor will provide all the colored paper for the collage in many different colors so the fish can be to each student’s liking.
