Alcohol Inks with Kathy Lamancusa

Saturday, Oct. 11, 2025

Please welcome Kathy Lamancusa as she teaches at DAGSO for the first time. Kathy has been involved in designing and teaching to audiences internationally for the last 30 years. She has written dozens of books about numerous arts and crafts and has been (mostly) retired for the last several years. She has agreed to come out of retirement and is excited to spend the day with the members of DAGSO.

About the class: students will learn three different techniques for creating alcohol ink art. By the end of class, you will have completed projects for marbelizing, stamping and stroking, and creating an image/scene. You will be creating your artwork using various sizes of Alcohol Ink Paper. We will concentrate on learning the techniques and what supplies to use as you create and finish your artworks. During the class, we will use the inks, papers, and tools that the instructor is bringing.

As a bonus, the instructor is providing a free goodie-bag for each of the paid students. This is being offered due to the instructor having taught other seminars and having additional products remaining. Approximate retail value of products included is \$75.00. So come and enjoy learning about alcohol ink and take home additional crafting supplies you can learn about, use, and enjoy!

Supplies to bring:

Students will need to bring the following supplies similar for acrylic painting: roll of paper towel, wet wipes, a few assorted sized small round and flat brushes, small clean water cup, palette to mix inks, black acrylic paint (brand not important), mask (optional: but recommended if serious respiratory issues exist).
